

Project FlexJob

“ While there are many jobs providing sites like job link, lumbinilink, etc most of them focus on making a large Profit by taking 30% to 40% commission from their salary and that creates very bad effect. Just Imagine You work for an institution and you get 15 k salary and someone is taking 7k . I guess it's not fair . So we have brought our own platform to solve this problem and provide Job, Part-time jobs to job seekers and workers and skilled manpower to Job Providers. “

“Some Times a Job Provider need a worker for a certain time not for a month then its hard for them to find a worker for a certain time then there comes FlexJob. Flex Job will Provide worker or skilled manpower for their business for a certain time . And Same Concept Applies to student as Well Some students are passionate and hardworking they want to make decent money while studying to fulfill their basic need. But They can't do full-time job here comes FlexJob to solve this Problem.

”
